In order to use GI Bill funds for an education abroad, students must be attending a program:

- That completes degree requirements.
- That offers CSU credits OR transfer credits from international institution. Programs offering U.S. transfer credits cannot use GI Bill funds.
- That receives credit from an institution in the approved WEAMS database: https://inquiry.vba.va.gov/weamspub/buildSearchCountryCriteria.do
- With tuition billing and payments going through CSU accounts. (This can be arranged for affiliated programs if all other points are met.)

Programs that meet all of these requirements include:

- CSU faculty/staff-led programs and internship programs receiving only CSU credits.
- Pre-approved CSU Sponsored Exchange and Direct Enrollment programs including:
  
  Keele University  
  Lincoln University  
  Macquarie University  
  Massey University  
  Swansea University  
  University of Economics in Prague, CESP  
  University of Exeter  
  University of Leicester  
  University of Limerick  
  University of Reading  
  University of South Australia  
  University of Tasmania  
  University of Western Australia
If you would like to attend an affiliated program through a third party program provider (CEA, ISA, SAI, Semester at Sea, etc.), please do the following:

1. Confirm that you will be receiving transfer credits on an international transcript (not domestic). Please note that CIEE, DIS, SFS, SIT, and USAC typically provide domestic transcripts and are ineligible for CSU GI Bill funding.

2. Check to see if the international institution has a WEAMS facility code: https://inquiry.vba.va.gov/weams/pub/buildSearchCountryCriteria.do

3. If criteria 1 and 2 are met, then contact CSU Military and Veteran's Benefits Coordinator in the Office of Financial Aid at GI_Bill@colostate.edu.

4. Request invoice for tuition and academic fees only from the program provider billed to CSU, not to the student.

5. Submit the invoice to Becky Henderson in CSU Education Abroad: Becky.Henderson@colostate.edu.

6. CSU will pay for only the tuition and academically related fees by the invoice due date. The housing and other expenses should be paid directly by the student to the program provider.

7. CSU Education Abroad will apply invoiced tuition and fee charges to the student’s CSU RamWeb account within the month prior to the CSU term start.

8. CSU Military and Veteran’s Benefits will review invoice and credit applicable GI Bill benefits to student’s RamWeb account.

9. Students are responsible for any remaining balances.

Visit educationabroad.colostate.edu/adults-veterans for more information.

* If their preferred program is not eligible for GI Bill benefits, students can use other institutional and federal financial aid for studying abroad.

** Not all expenses are covered by the GI Bill benefits. CSU Military and Veteran’s Benefits will advise on actual benefits.
